CKMS PTA VOLUNTEER OPPORTUNITIES

Cub Lunch Bunch (formally Lunch Walkabout): Want an easy way to be involved at CKMS? Come and help during lunch from 11:10am-12:45pm. This is a great way to get to know our amazing students and staff, as well as say "hi" to your child during lunchtime. You will be trained the first time you sign up. Volunteer as often as you're able! Once a week, once a month, any time you can give to this unique program. *Must be vaccinated if you do this routinely.

Backpack for Kids: As part of our CARES program, PTA delivers backpacks to school from Central Kitsap Food Backpack 4 Kids filled with food for CKMS students in need to take home over the weekends. Volunteers are needed to pick up food weekly at a location in Central Kitsap and deliver to CKMS. (Backpacks are handed out by counselors in a discreet fashion.)

Baking, Food & Refreshments: Bake and provide refreshments for activities, such as school dances and staff appreciation events.

Scholastic Bookfair: PTA facilitates a Scholastic Bookfair each fall as a service to the students and the school. (All Proceeds go to CKMS Library.) Volunteers do setup, management, and takedown of bookfair.

Box Tops for Education: Collect your box tops and turn them into the office and/or help clip, bundle, and mail for redemption.

CARES Program: This program is designed to help support CKMS students in need. Your tax deductible donation will help provide items such as backpacks, school supplies as well as holiday gifts for students and families in need within the CKMS community. We also need volunteers to help shop for these items with funds that have been donated.

Concessions: Jobs vary from purchasing supplies in bulk to selling concessions at after-school sports games and activities.

Dance Chaperone: This could be your big chance to learn the latest dance crazes!

8th Grade Celebration Dance: Help design, setup, and chaperone this amazing end of the year event.

Fundraising: Volunteers assist with various fundraising activities PTA engages in, from restaurant takeovers (MOD Pizza, Applebee's Pancake Breakfast) to student-involved activities.

Membership: Enter PTA member information into WA State PTA computer software program. This volunteer activity can be accomplished from home at any time convenient to the volunteer.

Reflections Art Program: Jobs included in this super program are: judging entries (photography, literature, music, art, video, choreography) or finding judges, organizing entries and readying them for display, making certificates, ordering awards, helping at the Council Reception, and returning entries. No art experience necessary!

School Pictures: This event is done in September during class time. Your help includes filling out order forms, keeping lines moving and fashion consulting. There will also be a retake day.

Staff Appreciation: We love our staff all of the time and we make a special effort to show it by pampering them with a special breakfast or lunch every other month and during Staff Appreciation Week in the spring. Includes helping with ideas for staff surprises, decorating and supplying baked goods, hot dishes & other items for the meals we provide every other month. One-time helpers are always appreciated! Fun way to interact with staff. Put those Pinterest ideas to use!

Vision and Hearing Testing: We need volunteers to supervise and direct students during vision and hearing testing in the fall. Testing is completed by district employees.

Communications: Manage the PTA website and/or Facebook/Instagram pages. Keep our community informed.

**Please note all volunteers in school must have a current Volunteer Disclosure Form on file. Forms can be found in front of CKMS office. Not sure if you're current? Give the office a call!*
